TRAININGS

Occupational Safety and Health Administration (OSHA Certificate) by NASP/IASP. Abu Qir Fertilizers and Chemical Industries Co.

Alexandria, Egypt
19-24 August 2017

- Using modern elemental analysis in chemical industries and fertilizers (AAS and ICP-OES)
Operating Atomic absorption spectrometry in Elemental analysis of chemical products and water samples.
Operating Inductively coupled plasma atomic emission spectroscopy in elemental analysis of chemical and fertilizers products.

EDUCATION

The University of Alexandria
BSc, Bachelor of Science, Chemistry, Physics

Alexandria, Egypt
2013 –2017

Hilights of the Most efficacious topics I had accomplished.

- Created Quality Policy and cGMP policy of the company;
- Handling complete procedure of creating the quality manual of the company;
- Develop new standards for production and created documentation system, with improvements as needed, and create testing protocols as per UAE.GSO 1943, UAE.GSO 1046, UAE.GSO 1047 and UAE.GSO 22716;
- Researching and ensure the appropriate requirements and certifietaes for the factory as a perfumer as per UAE Regulations and ESMA (Emirates Authority For Standardization & Metrology);

RESEARCHES AND COURCES

- Occupational Safety and Health Administration (**OSHA Certificate**)
- Graduation Research Project in Ultrasonic Uses in Green Chemistry, Increasing rate of reaction using ultrasound waves
- ISO/IEC 17025 Training “Egyptian Syndicate of scientific professions in Alexandria”
- C100 (Introduction in principals of computer) (Certified).
- Modern Elemental Analysis Using AAS and ICP-OES techniques (Certified).

SKILLS

- Mathematical Analysis and formulation.
- Withdraw and analyze samples using standard operating procedures, cGMP and GLP.
- Advanced level at operating Waters and AGILENT HPLC and UHPLC, UV-visible spectrophotometry.
- Expertise with Preparation of Volumetric solutions, Different Test solutions, Assay, Related Compounds, Dissolution, Uniformity of dosage unit, Hardness, Friability, Titration, Density, Analytical Balances, Moisture analyzer, pH meter and Karl Fischer.

PROFESSIONAL MEMBERSHIPS

- Member of the Egyptian Syndicate of scientific professions in Alexandria.

SKILLS AND INTERESTS

- Languages: Bilingual: Arabic and English.
- Sportsman: Gymnastics.
