TERMINAL OPERATOR at VTTI Fujairah UAE

(SUPPORT CONTRACTOR)

Mobile : +971 56 29 17 602

Email : [bivasgiri1@gmail.com](mailto:bivasgiri1@gmail.com)

*“Energetic and hardworking team player with 9 years of experience in safe storage and handling of petroleum products and in operations and maintenance of oil storage terminals.”*

## KEY SKILLS:

- Vessel loading and discharging operations – line-ups, checks, inspections.
- Handling Class-A, Class-B, Class-C oil products – Crude oil, Naphtha, Jet-A1, Gas Oil, Fuel Oil.
- Handling high pour and high H2S products.
- Chemical injection operations.
- ITT, TTT, PPO, PPI, Mixing, Heating and dewatering operations.
- Storage tank gauging.
- Storage tank product sampling.
- Handling and monitoring of terminal equipment – heat exchangers, pumps, DGs, air compressors, MOVs, valves, fire pumps, fire fighting systems, pneumatic pumps, pigs, hoses and different fittings, PSVs, TRVs, etc.
- Pipeline Fabrication.
- MS Office, Computer Literate.
- Equipment Commissioning & Decommissioning.
- Review of P&ID and Isometric drawings.
- Pipeline preparations – stripping, pigging, packing, gas freeing.
- Mechanical maintenance works
- Storage Tank & Equipment Inspections and Maintenance.
- Certified for Basic First Aid and using SCBA.

## WORK EXPERIENCE:

**APR-2021 till Present: Terminal Operator at VTTI Fujairah UAE.**

**(As a support contractor of M/s Adyard Abu Dhabi L.L.C Fujairah Branch).**

### Responsibilities:

- Assist Senior Terminal Operator in terminal activities such as – pipeline and tank line-ups as per checklist, line stripping, line packing, depressurizing, dewatering, mixing, cargo circulation and heating, ITT preparation, Vessel loading preparations, Vessel discharging preparations, tanker truck loading and unloading operations.
- Handling and monitoring all terminal operations with the team of oil storage terminal with a capacity of 1.9 million m<sup>3</sup>.
- Preparing Line up of tanks for Refinery feed, Injection and Rundown.
- Performing terminal hourly rounds for pipeline integrity checks.
- Following SOPs and HSE policies while working in the terminal.
- Operating different terminal equipment for cargo operations, such as - pumps as instructed: cargo, stripping, diaphragm or slop.
- Operate utility systems: fire water day tank filling, nitrogen system, plant air system and hot oil system as and when required.
- Steam tracing and electrical heat tracing of crude and product pipelines diverting and changeover of Refinery rundowns into designated tanks.

- Worked with Commissioning activities like Inspection of site construction as per P & I Diagram, pipeline hydrostatic and pneumatic testing, Pipeline Joints Torque Testing , Storage tank inspection, Pumps & Tanks Commissioning
- Gas Testing and site preparation/coordination for issuing Permit to Works for the planned maintenance activities.

### **DEC-2018 till MAR-2020:Fabrication Foreman at SINOPEC NINJING GROUP (KSA).**

#### **Responsibilities:**

- Study of P &ID and isometric drawings.
- Good knowledge of GA Drawing
- Procurement of material from site store as per isometric.
- Refinery maintenance activity follow up,
- Refinery shutdown activities.
- Arrangement Preparation of Pre Fabrication
- Measurement checking of Piping Spools as per isometric & release for welding.
- Erection of equipment like Valves, NRV, Pressure Vessel
- Hydro testing & Pneumatic testing of Loops.
- Supervise fabrication yard erection activities (fit up, welding and lifting).
- Supervise fabrication yard installation operations (piping installation, E.I.T.).
- Co-ordinates and interfaces between fabrication/installation and pre-fabrication activities.
- Co-ordinates sub-contractors involved in the assembly stages.
- Ensures compliance with safety procedures and quality standards

#### **AWARDS & CERTIFICATE:**

- Entertech Authorised (Qatar Petroleum) H2S & CONFINED SPACE ENTRY card.
- CERTIFICATION OF HONOR DEC-2020 SINOPEC Nanjing engineering
- CERTIFICATE OF SKIL APPRASAL NOV-2019 SINOPEC (KSA) ARAMCO SITE.

### **OCT-2015 till MAR-2018: Techno Steel Trading & contracting W. L. L**

#### **Responsibilities:**

- Study of isometric drawing.
- Fabricat pipe spool as per isometric drawing.
- Arrangement Preparation of Pre Fabrication work.
- Length Calculation of piping spools.
- Knowledge Cutting, Grinding & Edge Preparation.
- Preparation of Joint Fitt-up
- Measurement checking of Piping Spools as per isometric & release for welding.
- Erection of Piping Spools & Joint fit-up at site.
- Reporting to Site Supervisor

### **JUN-2013 till JUN-2015 L&T HEAVY ENGINEERING SULTAN OF OMAN**

#### **Responsibilities:**

- Study of isometric drawing.
- Fabricate pipe spool as per isometric drawing.
- Arrangement Preparation of Pre Fabrication work
- Length Calculation of piping spools.

- Knowledge Cutting, Grinding & Edge Preparation.
- Preparation of Joint Fitt-up
- Measurement checking of Piping Spools as per isometric & release for welding.
- Erection of Piping Spools & Joint fit-up at site.
- Reporting to Site Supervisor

### **TRAINING & COURSES ATTENDED WITH ADYARD ABU DHABI LLC:**

- Basic First Aid
- Hazard Identification Process
- Health Safety and Environment Management System
- Behavioral Safety Audit
- Work Permit
- Environmental Awareness
- Accident /Incident /Near Miss Reporting
- General Safety
- Slips, trips and Falls
- Fire fighting
- Work at height
- Self Continued Breathing Apparatus (SCBA) awareness (Green Crescent Safety Consultancy )

### **OTHER INFORMATION:**

- Can easily work with group as well as individually and quickly adapt to the changing environment.
- Can communicate in English, Arabic and Urdu languages to fluent level, both writing and oral.

### **EDUCATION:**

- Metric Pass from West Bengal Board Of Secondary Education
- Completed 6 months course of Computer Technician.
- Completed 6 months course in MS Office.

### **PERSONAL INFORMATION:**

- Father's Name: Bimal Giri
- Date of Birth: 06/07/1991
- Passport Number: W7416570 (04/12/2032) [OLD - K6661265(10/11/2022)]
- Marital Status: Married
- Permanent address: Village- Nelua, P.O- Asutia, East Medinipur District, West Bengal, India, PIN -721626

### **REFERENCE:**

Mr. Rajesh Shetty: Operations Manager at VTTI Fujairah Terminals, fzc.  
Mina Road, Fujairah, UAE.  
(Mob) +971 50 43 33 026

Mr. Ashwin: Operations Supervisor at VTTI Fujairah Terminals, fzc.  
Mina Road, Fujairah, UAE.
